**We salute our phenomenal
Volunteers & Staff
And the scrupulous
COMMITTEES**

Dear Fellow Members,

This is my second newsletter as president of the Vero Beach Italian American Civic Association and it gives me great pleasure to share with you some exciting news.

Starting July 1st, a new, fantastic chef, Tony, will be joining Carlos, Gabriel and the existing staff and volunteers. We are looking forward to seeing you at our club and enjoy the delicious, Italian specialty-foods. Please come for a drink, pizza or our special events and bring your friends!

The Tribute to Andrea Bocelli, last week, by acclaimed entertainer, Franco Corso, was magnificent and well attended. Friends came from all different areas to enjoy a real high-class performance. And it's important to note that each of the 4 Italian American Events I have presented at our club has been very profitable, well attended, and, most of all, with high caliber entertainers to enhance the unique class of the Vero Beach Italian American Civic Association, as it was intended by our Founding Fathers. Every month we welcome wonderful new members, full of ambition and innovative ideas - all displaying a great deal of desire to see our club advance.

Again, I am reaching out for your support and participation to help us overcome some of the following financial concerns. We need to pay past debts and plan for future expenditures. Some kitchen equipment needs to be replaced, and we may be looking at a costly roof replacement.

As I wrote in the June newsletter, our Administration functions as per our written by-laws, which is helping us to move forward in a positive way.

I look forward to seeing you soon. Please come to our meetings with a smile and support your club!

Best wishes,

Louis Miele, Ph.D

President
